The GMS Project Adventure Summer Camp is sponsored by The Gloucester Museum School & Gloucester Recreation Department.

Full Value Contract encourages campers to learn skills to create and work within constructive and supportive groups. Campers of all ages gain a real sense of self-confidence through striving and attaining real personal accomplishments.

GMS Staff are all trained & qualified to produce a safe, non-competitive camp experience. Each counselor team is certified in: First Aid, CPR, Water Safety & Life Saving. Our counselors are skilled in leading expedition style programs, Project Adventure activities, small boat handling, rock climbing & belay, orienteering, marine & ecological studies.
We are proud to provide an average camper to counselor ratio of 6:1

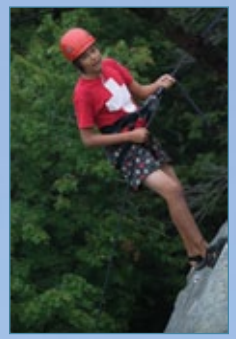
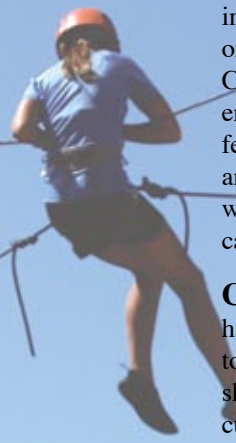
These programs comply with regulations of the MA. Dept. Public Health (105 cmr 430). GMS is Licensed by Gloucester Board of Health.
All policies, procedures, and Staff CORI and SORI are available for review.



GMS Adventure Camps

foster a sense of wonder, environmental stewardship, and critical thinking skills.

The open spaces of Essex County serve as a living classroom for campers to learn, appreciate and understand the natural resources of the greater Cape Ann area.



Experiential Education

creates real internal change and personal growth within the camper in a safe, honest, caring and goal-orientated group.

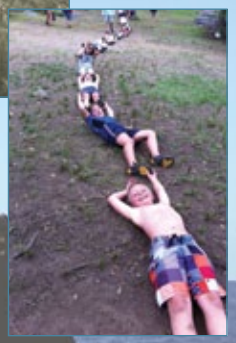
Challenge by Choice offers an environment in which the camper feels he or she is in an emotionally and physically safe environment with personal control over their camp experience.

CIT Program

is a fee-based hands on training program for 14 to 17 year old campers who have shown an aptitude in the GMS curriculum.

Please download the form and mail as soon as possible.

www.gmscamp.org



Please register early. All camp openings are available on a first come first serve basis.

Our daily adventures begin at the OMaley School, Gloucester and Stone Pier in West Gloucester

Junior Sea Camp – entering grades 1 – 4

An exciting introduction to PA activities & outdoor education, designed for younger campers. Concentration is on challenging the children without competition, developing personal self-esteem and learning through fun adventures, activities & Marine Science. Junior Sea Camp is primarily based within the Jones River area.

sessions: ***1***. $495 ***2***. $615 ***3***. $615 ***4***. $615

Adventure Sea - entering grades 4 – 6

A wide array of Project Adventure Activities, games and trust building will be combined with rock climbing, hiking, orienteering and dory rowing. Emphasis will be on environmental science, tide and marsh study, navigation, and expedition style rowing trips.

sessions: ***1***. $495 ***2***. $615 ***3***. $615 ***4***. $615

Senior Sea Camp - entering grades 6 – 10

A culmination of more advanced Project Adventure activities. This camp is for the older camper who has gone through Jr. Sea and/or Adventure Camp, and is at least 11 years old.

sessions: ***1***. $495 ***2***. $615 ***3***. $615 ***4***. $615

Inclusive to all camps the ***Tall Ship Experience***

All the camps above include our new "Schooner Experience". We are partnering with Tom and Kay Ellis of the Schooner "*Thomas E. Lannon*", to give all of campers a chance to haul the sails and learn about tall ship sailing.

Rock Camp - entering grades 5 – 10

Five days of Expedition Style rock climbing camp. We will explore all of Cape Ann and learn rock climbing from the ground up, with Herb.

session ***5***. $395 *minimum 8 (one week)
