

The GMS Project Adventure Summer Camp is sponsored by The Gloucester Museum School & Gloucester Recreation Department.

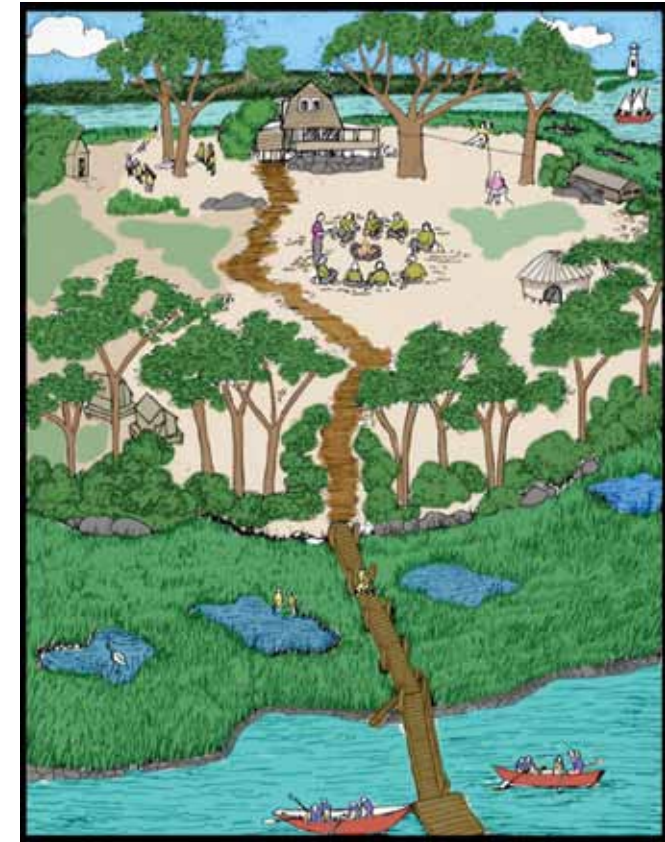

Full Value Contract encourages campers to learn skills to create and work within constructive supportive groups. Campers of all ages gain a real sense of self-confidence through striving and attaining real personal accomplishments.

GMS Staff are all trained & qualified to produce a safe, non-competitive camp experience. Each counselor team is certified in: First Aid, CPR, Water Safety & Life Saving. Our counselors are skilled in leading expedition style programs, Project Adventure activities, small boat handling, rock climbing & belay, orienteering, marine & ecological studies. *We are proud to provide an average camper to counselor ratio of 6:1*

(2) July 5 – July 16

(3) July 19 – July 30

(4) Aug. 2 – Aug. 13

*Advanced Rock Climbing Camp
please see www.gmscamp.org*

GMS Adventure Camps fosters a sense of wonder, environmental stewardship, and critical thinking skills. The open spaces of Essex County serve as a living classroom for campers to learn, appreciate and understand the natural resources of the greater Cape Ann area.

Experiential Education creates real internal change and personal growth within the camper in a safe, honest, caring and goal-orientated group. Challenge by Choice offers an environment in which the camper feels he or she is in an emotionally and physically safe environment with personal control over their camp experience.

Fun!
